DATE: February 24th, 2025

AMENDMENT

On January 20th, 2025, Presidential Donald Trump issued executive order (E.O.) 14151 titled “Ending Radical and Wasteful Government DEI Programs and Preferencing”. This E.O. seeks to end diversity, equity, and inclusion (DEI) programs—which are sometimes referred to as diversity, equity, inclusion, and accessibility (DEIA) programs—throughout the federal government. To be in compliance, with the anticipation DEI initiatives the Denton County MHMR Center will be taking out their DEI statement and changing it to,

“At Denton County MHMR Center, we are committed to fostering a culture where all individuals feel welcomed, valued, and respected. We believe this foundation is essential in promoting collaboration and driving innovation. This approach supports a work environment that prioritizes teamwork and a person-centered treatment environment, benefiting both the individuals we serve and their families.”
